	Thanks			

I will be in Montreal on May 4th for the CEC and hosting the Canadian Bilateral on May 5th in Washington so those dates are out.

It looks like we would need to shoot for 18-19. If you have details on the EMM Marine Litter W/S let me know and we will see if it is appropriate to extend.

Mark

Hi team EPA,

and I have DOE visitors now at an expected marathon meeting into the evening, so we won't be very responsive, but here are our windows of time (between other ministerials, NASA visits, Space Apps, etc.:

4/18-19 (20 and 21 is the EMM Marine Litter W/S, perhaps you could stay for that Mark- or will you be coming out Hodaya?)

The Environment Communique meeting is in Siena May 3. I'm going to stay over to do an event on A *Plastic Ocean* at Siena University May 2. The Italians want to host the EMM communique meeting May 3 in Siena, which I presume would also be you, Hodayah?

I would be back in Rome for an advance May 4 and 5. From May 8 on, will be working on credentials for G7 in Sicily May 26-27.

What works for your team?

Thanks, Ex. 8 - Personal Privacy
